

## Sample Interview Questions

Preparation is the key to feeling confident in an interview and being successful.

**Email** me, [shawn.coers@dsbn.org](mailto:shawn.coers@dsbn.org) your responses to these common interview questions. Make sure your responses are in Full sentence form. **Remember**.....you are trying to sell yourself to the interviewer!

Simply copy these questions and paste them in the body of your email, write a response and send!

1. Tell me about yourself?
2. What are your career plans?
3. What do you expect to learn and what skills would you like to acquire from this placement?
4. What subjects in school do you like and why?
5. Where have you worked previously? What skills did you learn there?
6. What leisure activities do you enjoy? Describe your participation?
7. Why should we take you as a co-op student?
